**SUBJECT:** ROCKY MOUNTAIN POWER'S APPLICATION FOR APPROVAL OF  
THE 2017 INTER-JURISDICTIONAL COST ALLOCATION  
PROTOCOL, CASE NO. PAC-E-15-16

On December 31, 2016, PacifiCorp dba Rocky Mountain Power filed an Application requesting Commission approval of the Company's 2017 Inter-Jurisdictional Cost Allocation Protocol. The Company asked the Commission to issue an Order by July 1, 2016. The Commission then issued a Notice of Application and Notice of Intervention Deadline and directed Staff to confer with the Company and any intervening parties about a proposed schedule, and to report the proposed schedule to the Commission. Order No. 33458.

After the intervention deadline ran, Staff conferred with the Company and the sole intervenor, Monsanto Company, about a proposed schedule. Staff now reports that all parties agree that the case should be conducted by Modified Procedure, with comments due by May 23, 2016, and the Company's reply (if any) due by June 6, 2016.

### COMMISSION DECISION

Does the Commission wish to issue a Notice of Modified Procedure setting a May 23, 2016 comment deadline and a June 6, 2016 reply deadline?
